

ARTICLE 14 - PAYMENT FOR EXTRA CURRICULAR DUTIES

- 14.1 Extra-curricular duties are those duties that the Board has approved. Bargaining Unit Members approved to perform extra curricular duties will be paid according to the schedule in Appendix B – Extra Duty/Extra Pay.
- 14.2 All extra-curricular duties shall be opened to qualified Bargaining Unit Members on site before they are opened to qualified Bargaining Unit Members off site. A Bargaining Unit Member currently employed by the District shall be given advantage before others outside the unit provided the member applies for the position and is otherwise qualified under District qualification standards. If the district determines that the credentialed Bargaining Unit Member fails to meet the district's qualification standards, it is free to consider other applicants.
