## **Family Child Care**

Family Child Care (FCC) is a quarters-based system of certified providers providing childcare for families in the community. FCC providers give care in an atmosphere that is closest to the child's experience with his or her own family.

FCC providers offer a wide variety of developmental activities geared to the individual needs of the children in care.

The FCC home ratio group size is limited, hours are more flexible, and siblings are not separated.

Care is available for children ages 4 weeks to 12 years.

These certified homes can be realistic alternatives for single or dual military members in the event they are called to duty at various times with little notice.

Please contact the FCC office today at;

760-380-3502

Mrs. Pamela Harvin is our SLO (School Liaison Officer). She is located in  
BLGD 109 RM 109.

Fort Irwin Army School Liaison Services (SLS)  
is here to help you and your student with school  
related questions or concerns. SLS is an Army wide program designed to link  
parents, school, school districts and commands. Our office provides a wide  
range of recourses and information on public, private, charter, and home  
schools in the local area to include registration,  
curriculum, special education services, transportation, volunteering,  
extracurricular activities, scholarships and more!

# SKIES Unlimited

Schools of Knowledge, Inspiration, Exploration & Skills

SKIES Unlimited and the EDGE program are happy to announce a merge that will combine the best of both worlds. The combined programs will now all fall under SKIES Unlimited. We found that combining SKIES Unlimited and the EDGE program would help with budget constraints and increase youth participation. Additionally, the merger would create a program with an exceptional future for the benefit of our Fort Irwin community.

Activities that are currently run by the EDGE program such as paintball, bowling, crafts, and cooking will continue under SKIES. You can now find all your favorite activities under the SKIES Unlimited Program. Fees will range between \$10 and \$30 depending on the class, and all participants will now pay said fees.

Transportation will also continue to and from activities for both the SAC (School Age Center) and the MST (Middle School Teen Center) facilities.

All of these changes will become effective as of January 6, 2014.

If there are any questions or concerns please contact,  
Frances Gutierrez at 760-380-7751

Where are the class's taught?

Classes are taught at the STARZ Academy, Bldg. 128. This is on 2nd Street seen from the parking lot of the Fitness Connection.

What does each class teach?

Students learn basic tumbling, stretching, and different coordination drills. Gymnastics is a sport that helps a child become well-rounded. It emphasizes team work, skill, and dedication. Participating in gymnastics helps him/her feel good when achieving goals. Gymnastics provides a way to exert energy and build physical fitness to last through adulthood.

What should my child wear to practice?

There is no particular uniform. Just have Your child in something that he or she can easily move around in. For example, what they would wear to gym class. Each child will be barefooted on the mat, so please try to keep feet clean.

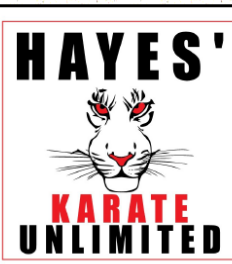

Participants must be CYS registered prior to the start of the first class.
